Program Accomplishments

The baseball program at Erie is one of the most successful programs in Region III, if not the country. With four Region Titles in 1998, 2000, 2003 and 2005 and two WNYAC Conference titles in 2004 and 2006, Coach Bauth has put ECC on the map in junior college baseball.

With his ability to recruit many top high school players, the program has made the post season every year since 1993. In 2004, the program set a new school record for wins in a season with 39. The program also has three Western New York Conference titles to its credit in 2004, 2006, and 2007.

Since Coach Bauth took the program over in 1991 he has had 49 All-Region players, nine All-Americans, three academic All-Americans, six All-World Series players and four professional players come through his program.

Three years ago, former Kat Tony Kirbis was drafted in the 23rd round of the MLB draft by the Baltimore Orioles.
