Program Accomplishments

The addition of Women's Lacrosse in the Spring of 2006 was the school's 23rd at Erie Community College and 11th women's varsity sport.

ECC became the 16th school to add the sport and the seventh in Region III alone joining Cayuga, Herkimer, Jefferson, Monroe, Niagara, and Onondaga.

With the recent increased popularity of lacrosse in Western New York and across the country, the program will be highly competitive this upcoming year.
