Program Overview

Head Coach

Kevin Walkowski
4th Season

ECC North Campus
6205 Main Street
Williamsville, NY 14221
walkowski@ecc.edu
(716) 851-1288

Kevin Walkowski is entering his fourth year as the head coach of the women's softball program. He brings a wealth of softball knowledge to Erie Community College.

Walkowski is a member of the USA Softball National Instructional Staff and has taught the game to all different levels across the country. He has worked with several legendary players, including Lisa Fernandez, Dot Richardson, Mona Stevens and Diane Schumacher.

Walkowski has held various roles within ASA Junior Olympic softball and was the drug testing representative for USA softball.

Assistant Coaches

Paul Damian,
Mark Schneegold

Program Accomplishments

Erie Community College boasts the most successful softball program in Region III. The Kats have played in 16 Region III title games, claiming nine regional championships. Erie also won two NJCAA national championships in 1980 and 1981.

Erie plays a competitive schedule against the best two-year college softball teams in the northeast, which helps its student-athletes develop and transfer to four-year colleges and universities.

Former Erie softball players Becky Austin (left) and Kristen Kamenash (right) recently played at Canisius College and Niagara University, respectively.

Schedule

Date	Opponent	Location	Time
