Coach Starzynski took over the program in the 2006 season after previously coaching at Mt. Mercy. Craig is a graduate of Baldwin-Wallace College with a degree in physical education and health education.

He's enjoyed success playing at both the high school and collegiate levels by winning a State Championship for Frontier HS in 1998 and as captain for the Baldwin-Wallace College.

Coach Star's teams here at ECC have improved every year since he's come on in '06. The Erie Kats have emerged back onto the 'volleyball map' and show no signs of slowing down. With the exciting and winning attitude Coach Star brings to the volleyball program, he's looking forward to continued success with the Erie Kats.

## Program Accomplishments

The ECC Kats will be looking forward to a productive season in 2009. With an entirely new team this past season, ECC finished with a 6-19 record in 2008. The team won matches over Fulton-Montgomery, Elmira JV, Corning, Onondaga, TC3, and Broome Community College in 2008.

The team dropped several close matches to some of the top-ranked teams in Division III.

The ECC volleyball program is looking towards the 2009 season with high expectations. The Kats have improved their record the past four seasons in a row. With a solid group of returning players, the team looks to make the Region III tournament in 2009.
