Program Accomplishments

The women's bowling program at ECC is the most successful women's program in the country, two or four year.

The twenty-seven NJCAA National Championships won are the most by any college. The school has also claimed two IBC championships in 1980 and 1982.

Erie has also been privileged to have had many All-Americans, Academic All-Americans, and All-Region bowlers go through their program. Janette Pieczynski was a star for the squad in 1996 & 1997 as she claimed every possible individual and team National Title. She was also very successful on the Ladies Professional Bowling Tour and remains one of the area's best bowlers, male or female.

Another ladies legend, Cindy Coburn-Carroll, bowled for the school and has won numerous Queen's and Professional Tournaments. She joins Debbie Kuhn and Peggy Funk Kuhn in the NJCAA Bowling Hall of Fame.

This past season, sophomore Jessica Mamon was both All-Region and All-American. She won the All-Events at both tournaments. She was joined on the All-American team by freshman Gina Maduri and Ally Harvey.
