

Women's Soccer

Program Overview

Head Coach

Tiffany Amore
7th Year

ECC South Campus
4140 Southwestern Blvd.
Orchard Park, NY 14127
Amore@ecc.edu
(716) 851-1286

Assistant Coach

Jack Regan

Coach Amore enters her seventh season as the women's head coach. The team has improved every season under her guidance.

Amore took over a team that was winless in her first year and led them to four wins. In 2003, an 8-6-1 record was followed by a 7-5 record and a post-season appearance in 2004.

Coach Amore attended Lock Haven University where she was an All-Conference athlete. She was also an Academic All-American and graduated with a B. S. in Health Science.

The Lady Kats in action versus Broome.

Program Accomplishments

The 2008 Erie women's soccer team finished with a 6-5 record in Region III play and advanced to the Region III Tournament for the first time since 2004.

Laura Nerber, Danielle Buergin and Alexa Wisel each earned Second Team All-Conference recognition.

Erie traveled to fifth-seeded Tomkins Cortland Community College for the tournament opener where it lost a hard fought 1-0 decision.

Since 2005, the program has continued to increase its win total and with several top players returning, the 2009 season looks to be even better for the Kats.

Under Coach Amore's tutelage, the program has had 16 student-athletes named to the all-conference team. It also has produced All-Region performers.

2009 Schedule

Date	Opponent	Location
8/30/2009	Mohawk Valley CC	Home
9/2/2009	JCC-Olean	Away
9/5/2009	Corning CC	Home
