

October 15, 2007

Timothy McQuade, Chair and Assistant Professor
Department of Health, Physical Education and Recreation
Business & Public Service Division
Erie Community College
4041 Southwestern Blvd.
Orchard Park, NY 14127

Dear Professor McQuade:

The Department of Health Promotion and Physical Education received a request from Michelle Komorowski, Advanced Studies Mentor, seeking transfer guides from Ithaca College based on a parallel program with Erie Community College's Physical Education major and the Department of Health Promotion and Physical Education teacher education majors.

We have had several very good students from Erie Community College and want to continue facilitating their transition to our department here at Ithaca College.

Enclosed you will find transfer guides that our department has developed for a parallel program in Physical Education-Teaching and our dual major Health Education and Physical Education-Teaching. Also, enclosed are our department's advisement sheets in which I have included Health Education-Teaching as well. The guide sheets may assist you in advisement of students who are interested in Ithaca College.

If you have any questions, please do not hesitate to contact me if there are additional ways that I can assist.

Sincerely,

A handwritten signature in cursive that reads "Mary Bentley".

Mary Bentley, Ph.D.
Associate Professor and Chair

Enclosures

xc: Steve Siconolfi, Dean, School of HS&HP
Michelle Komorowski, Advanced Studies Mentor
