COMMENCEMENT

SUNY ERIE COMMUNITY COLLEGE

Wednesday, May 20, 2026

SUNY BUFFALO STATE UNIVERSITY
SPORTS ARENA

SUNY Erie Community College proudly commemorates 80 distinguished years of empowering students to create pathways to opportunities in Western New York and beyond. Since its founding in 1946, SUNY Erie has remained a vital gateway to higher education, enabling generations of students to begin their academic journey close to home and achieve remarkable success.

For eight decades, SUNY Erie has been more than a college; it has been a community partner and economic driver for the region. Through strong connections with local businesses, organizations, and industries, the college has helped prepare a skilled workforce that strengthens the economy and supports the growth of Western New York.

The impact of SUNY Erie can be seen in its accomplished alumni, many of whom choose to remain in the region after graduation. These graduates become leaders, entrepreneurs, educators, healthcare professionals, and public servants who contribute to the vitality of their communities. Many also return to support the institution, mentoring students, partnering with programs, and giving back to ensure future generations have the same opportunities.

As SUNY Erie celebrates its 80th anniversary, the college reflects with pride on its legacy of access, affordability, and community impact. From classrooms to boardrooms, hospitals to small businesses, the influence of SUNY Erie graduates continues to shape Western New York.

The story of SUNY Erie Community College is ultimately a story about students, community, and possibility, a reminder that when students start here, they can truly go anywhere. The impact of their journeys extends far beyond campus, strengthening communities, industries, and opportunities throughout Western New York and beyond.

President's Message

DEAR FAMILY, FRIENDS AND GUESTS OF THE GRADUATING CLASS OF 2026,

Dear Family, Friends, and Honored Guests of the Graduating Class of 2026,

On behalf of the administration, faculty, staff, and trustees of SUNY Erie Community College, congratulations to our exceptional graduates. Today, we celebrate you! This moment belongs to you. “This is your time; this is your story.”

Graduation is more than a ceremony. It is a celebration of you, the student, and a tribute to your resilience, courage, hard work, persistence, perseverance, and heart. Today honors not only what you have achieved, but also the strength and determination that carried you here. Each of you has earned this day, and we could not be more proud. This is your story; your perseverance, your commitment, and the countless hours of hard work have brought you to this proud and joyful milestone.

As you prepare to take your next steps, we are confident that the knowledge, skills, and experiences gained at SUNY Erie will serve as a strong foundation for your future success. Carry forward the perseverance you have shown, the lessons you have learned, and the confidence that you belong wherever your ambitions take you.

SUNY Erie will always be here for you as a resource, a community, and a place you can proudly call home. We look forward to celebrating your continued accomplishments and welcoming you back at alumni and community events in the years ahead.

Today is a powerful milestone, but it is not the final chapter of your story. Whether you move on to further education, step into a new career, or pursue a dream still taking shape, your journey continues. Commencement marks both a meaningful conclusion and a bold beginning: one filled with possibility, purpose, and promise.

Congratulations, Class of 2026. The future is yours and it shines brightly!

Sincerely,
Dr. Adiam Tsegai
Adiam Tsegai, Ph.D.
President

Academic Regalia

Identification of the hood and robe as academic apparel is believed to have originated at the English universities of Oxford and Cambridge during the twelfth and thirteenth centuries. The hoods are a carry-over from the times when monks, who operated these universities, wore them to protect their shaved heads in winter. The robe is an adaptation of the shoulder cape also worn by these same monks while collecting alms.

Use of the academic robe came to the United States in 1754. In 1985, a commission of university officials adopted a universal code of design and color. This code has undergone several revisions in subsequent years.

The oxford type cap or mortar-board seems to have evolved from the square biretta of Renaissance churchmen. It is always black and may be of any appropriate material except that velvet is reserved for doctors. The tassel worn with the cap may be black for any degree or the color of the faculty in which the degree was granted. A tassel made of gold metallic thread is reserved for doctors and governing officials of institutions.

Styling of the robe varies for the bachelor's, master's, and doctoral degrees. The width of sleeve border and length of the hood increases with each advanced degree. The specially designed gowns include silk-lined hoods with the colors of the college or university that conferred the degree. The velvet border identifies the field of learning. SUNY hoods are lined with the silk colors of blue and gold.

The velvet border colors seen most often in a SUNY Erie Community College procession, with the fields they represent, are:

- White---Arts, Letters, Humanities
- Drab---Commerce, Accountancy, Business
- Purple---Criminal Justice, Law
- Light Blue---Education
- Brown---Engineering
- Apricot---Nursing
- Dark Blue---Philosophy
- Sage Green---Physical Education
- Golden Yellow---Science
