

Erie Community College
Summer I and II 2017 Online Course Schedule

Please refer to College Catalog or website for Course Prerequisites, Course Descriptions and Program Requirements

SUMMER 1 2017 ONLINE COURSES

For more information about distance learning, visit the website www.ecc.edu/online-learning

What are Distance Learning Courses?

Distance learning courses offer students the flexibility of completing some or all of their coursework and assignments without having to regularly attend classes on an ECC campus. ECC currently offers two forms of distance learning course delivery:

- a. Online Courses
- b. Hybrid Courses (look for these in seated course section)

What is an Online Course? In an online course, students access some or all of the course material and participate in course activities over the Internet. Students can work from any Internet-connected computer to complete assignments and interact with other students and the instructor. Textbooks are normally required in addition to the online course material. To participate in an online course, students should have regular access to a computer with an Internet connection. Students should also have some familiarity with Internet use, email use, and file management (saving files, downloading files, attaching files to email). Students are expected to work independently with instructor guidance. Online courses are not self-paced. Students are required to complete and submit assignments or participate in course activities according to an instructor-defined schedule. For information about a specific online course, contact the course instructor.

What is a Hybrid Course?

In a hybrid course, an online component is used as a substitute for a portion of the instruction that a student would otherwise receive in a campus classroom or lab. Hybrid courses meet approximately 50% of the normal classroom hours on campus and students do the remainder of their work online. A hybrid course meets for the first time on the date and time identified in the course listing. The on-campus meeting requirements will be discussed during this first meeting.

For information about course orientation go to <http://faculty.ecc.edu> and look up the instructor's name.

Important Textbook Information for Online Classes: You can order your textbooks for any online class from any of the three ECC Bookstores (efollett.com).

- a. **Ordering Online:** Please place the online order from the bookstore website that you want to pick up your books from (no need to request a transfer).
- b. **Buying in the Store:** Your book might not be "in-stock" at all three campuses, so if you choose to purchase in-store, please contact the store first or simply order online from the store where you want to pick up the books.
- c. **North Bookstore:** www.eccnshop.com; **South Bookstore:** www.eccsshop.com; **City Bookstore:** www.ecccity.bkstr.com

What is a Low Cost Class? A Low Cost Class is a class whose books, access codes and other required materials do not exceed \$30. If the course has a change of instructor, the Low Cost Class status cannot be guaranteed.
