AUXILIARY SERVICES OF ERIE COMMUNITY COLLEGE
CATERING TERMS OF AGREEMENT

So that we can service your function properly, it is essential that we be notified of the exact number of guests attending at least one (1) week beforehand. This confirmation is the minimum number we will charge for. We will, however, be prepared for a 5% overage. If no guaranteed count is given by said date, billing will be based on original count.

Cancellation of an event should be made known to Auxiliary Services Corporation (ASC Campus Dining) as soon as possible. If cancellation occurs less than 72 hours the customer will be billed for full amount.

A 50% deposit or signed disbursement form is required within (7) days of booking. This deposit will be non-refundable if cancellation procedures are not followed. Payment in full is required the day of the function. 2% per month will be applied to all amounts past due (30) days.

A 17% service charge and applicable sales tax will be added to all food and beverage invoices. (College departments are exempt from sales tax and service charge).

Food or beverage cannot be taken from the function before, during, or after the event. All prices quoted are based on normal service times. If you delay the start of your function, we reserve the right to add an appropriate charge to your bill to cover our expenses.

Auxiliary Services will not be liable for failure to perform the agreement or any part thereof as a result of strikes, fire, failure of lights or heat or any other cause beyond our reasonable control.

Any changes to the foregoing terms and conditions must be specified in writing and agreed to by both the client and the Auxiliary Services Corporation.
