Pharmacy technicians provide assistance and support to licensed pharmacists. Pharmacy technicians must possess a broad knowledge of pharmacy practice and must be skilled in the techniques required to order, stock, package, and prepare medication.

This 274 hour training (194 classroom and 80 hour internship) will prepare you for pharmacy technician positions in community-based pharmacies and healthcare settings.

Training will take place at ECC’s 45 Oak St. facility, located in downtown Buffalo, from 9AM-3:30PM, daily.

THE 274 HOUR TRAINING INCLUDES:
1. Math/Keyboarding refresher
2. Microsoft Word/Excel training
3. Pharmacy training with a NYS licensed pharmacist
4. Interview workshop
5. Resume writing workshop
6. 80 hour internship
7. Mock lab training
8. National certification exam preparation

This non-credit training will prepare you for employment in retail and hospital pharmacies.
