SUNY Erie’s Diversity Academy is sponsoring SUNY Erie Reads this semester to continue the conversation on equity and diversity at the College.

We’re kicking things off with a showing of the documentary Hello, Privilege. It’s Me, Chelsea during the month of October followed by a discussion of the book, Waking Up White by Debby Irving, in November. Limited copies of the book will be available on loan at all campus libraries. In addition, SUNY Erie students, faculty and staff can request the title from other SUNY institutions and keep the book until December 20, 2019. Library staff are also happy to help you reserve a copy over the phone as well.
